Andy,

On the last point, Tony has given us a good interim option, so I think we are good to go for now.

Thanks for the update. I like the new name.

On UCMR3, I think we stick to our approach, use the OW-published zip codes unless they have/publish something better. Mike, are we at the point where I should discuss with Jennifer McLain?

On the definitions, this issue is also being discussed in other places for other purposes. Not sure what kind of decision is needed for now – can we make a simple interim decision for now?
